## Chambers' Contributors

Griffiths and Partners (“G&P Attorneys”) contributes to Chambers Global Practice Guides on annual basis.

Chambers publishes global law guides to provide comparative analysis from top ranked lawyers in a number of jurisdictions. The Turks and Caicos [Insolvency](#) Law and Practice Guide produced by Chambers was compiled by Conrad Griffiths QC, David Stewart, Luca Bonetto and David Cadman. The guide provides details on the regulations surrounding insolvency, the proceedings and also considers additional factors such as financially troubled companies and remedies for unsecured creditors.

The Turks and Caicos Islands [Real Estate](#) Law and Practice Guide produced by Chambers was compiled by Oliver Chapman who has over 20 years of experience in dealing with real estate in the Turks and Caicos and overseas. The guide highlights due diligence practices, considerations for investors and even insight into construction projects.

## 2020 Lookback

An eventful year for the G&P Group and our Island home.

The impact of COVID-19 has left many of us frustrated on the one hand but deeply grateful for the way our island community has pulled together on the other. Looking back, we are proud to say that the Group managed to overcome the limitations placed

on us by the necessity to restrict and control the spread. A huge thanks to all our staff, clients and contacts for the support and care shown to us during this difficult year. We have emerged stronger and more determined to grow and prosper in 2021 than ever.

# Happy Holidays

We wish all of you a happy holiday season.

The Group is committed to facilitating an environment based upon collaboration and teamwork to provide the best service to our clients. We achieve this by creating good relationships between all our teams. Each year the staff gather to decorate trees in each Group office to create festive ambiance for staff and our clients, and we thought you might like to see a photo or two.

Here are our holiday hours of operation for all companies.
